## **Upload a Document to InfoSnap**

You will be able to upload documents by:

- 1. Click "Upload Photo/Document"
- 2. The Upload Photo/Document Modal will pop up
- 3. Click "Choose File"
- 4. Select a file from your computer you would like to upload.
- 5. Click "Open"
- 6. Click "Upload"
- 7. A green check in the photo/document upload field indicates that you have successfully uploaded your document.

NOTE: When uploading documents, it's important to make sure that they are smaller than 2.5MB. Files over 2.5MB are usually too large to upload.

NOTE: Image files need to be in JPG, GIF, PNG, or TIF format.

## **Not Working?**

- 1. Log out and log back in
- 2. Access the form in a different browser.
- 3. Clear your Cache/Cookies. Need help? Please review the <u>Clear Browser History</u>, Cache, and Cookies article.
- 4. If after following these steps and confirming the file is sized appropriately, you are still unable to upload a document, please reach us via the <u>online ticket system</u>, chat (bottom corner of web browser), or by phone (reach us toll free at 866.752.6850 - Hours: M-F 8am-5pm CST with extended hours in July and August until 7pm CST).
